INTRODUCTION FOR JIM WHITT

This introduction is designed to make you, the introducer, look good! It's brief and easy to read. Think of yourself as Jim's opening act. Keep it light and upbeat and the audience will love it. It lets them know what to expect from Jim's presentation... that they are going to laugh and learn.

Our speaker this (morning, afternoon, evening) is what you'd get if you crossed Jeff Foxworthy with Dr. Phil. Jim Whitt will make you laugh and think ... all at the same time.

Once upon a time Jim made his living as a cowboy. Then he discovered he could apply what he learned about punching cows to provoking people!

So now Jim is a professional provoker! He provokes people and organizations to reach their full potential ... but he does it with a healthy dose of humor.

So get ready to be provoked...and laugh about it!

PLEASE WELCOME ... JIM WHITT!
